

2025 Community Impact

Care rooted in compassion, supported by our community.

As Acadiana's first and only nonprofit hospice, Hospice of Acadiana believes care is never just about services—it's about people, families, and moments that matter. Every number in this report reflects compassion made possible by a community—and a care team committed to the highest standards of quality and service—wherever care is needed.

— Stacy Mistic, CEO

6,300 total patients served across all disciplines

Nine parishes served: Acadia | Evangeline | Iberia | Jefferson Davis | Lafayette | St. Landry | St. Martin | St. Mary | Vermilion

1,129
